The image features a central laptop displaying the equineline.com Pedigree Binder software. The laptop screen shows a web interface with the equineline.com logo at the top left and a navigation menu. Below the menu, there is a table with the following entries:

Name	# of horses
Palmer in Training - X12 State	[Icons]
Marki Reed to Station A	[Icons]
X12 Equi - Marki	[Icons]

Below the table is a large blue logo of a horse's head in profile, facing right, with the text "Pedigree Binder" in a bold, blue, sans-serif font. At the bottom of the laptop screen, the equineline.com logo and website name are displayed in red and blue. The laptop is surrounded by several images of horses: a group of four brown horses in a field at the top, a single brown horse on the left, and a jockey on a brown horse on the right. The background is a light, hazy gradient.
